

EVERYTHING YOU LOVE ABOUT A HOT DOG IN THE SHAPE OF A BURGER.

No added hormones or steroids

Nitrate and nitrite-free*

No artificial preservatives or fillers

Gluten-free

*except for those naturally occurring in the meat

FEATURES & BENEFITS:

CAREFULLY CRAFTED: Made from an Old World recipe and features a specially-designed, patented, casing. Round Dogs are slow-smoked to perfection before they're cut into rounds with a unique, wavy blade that ensures they won't curl up when cooked (we call these "Flavor Ridges!")

HEAT & EAT: Fully-cooked; easily prepared on a grill, griddle, in a steamer, tunnel oven, etc. Simply heat and use in your favorite recipes.

VERSATILITY: Can be enjoyed in all the same ways as traditional hot dogs—with all your favorite fixin's or get as creative as you want, so pile them on! Plus, they're burger bun-friendly!

GREAT ROI: Twice the size of a traditional hot dog with a unique appeal that adds to your bottom line.
